

# Singapore Academy of Law (SAL)

The Singapore Academy of Law (SAL) is a promotion and development agency for Singapore's legal industry. Their vision is to make Singapore the legal hub of Asia.

SAL works with stakeholders to set new precedents of excellence in Singapore law through developing thought leadership, world class infrastructure and legal solutions. As a body established by statute, SAL also undertakes statutory functions such as stakeholding services and appointment of Senior Counsel, Commissioners for Oaths and Notaries Public.

## Solutions

Integrated NEC Smart Business Solution, consisting of:

**UNIVERGE SV9100 IP Communication Server with:**

- ISDN Gateway
- NEC IP Terminal
- NEC ST450/ST465
- Session Border Controller
- Remote Gateways

## Results and Derived benefits

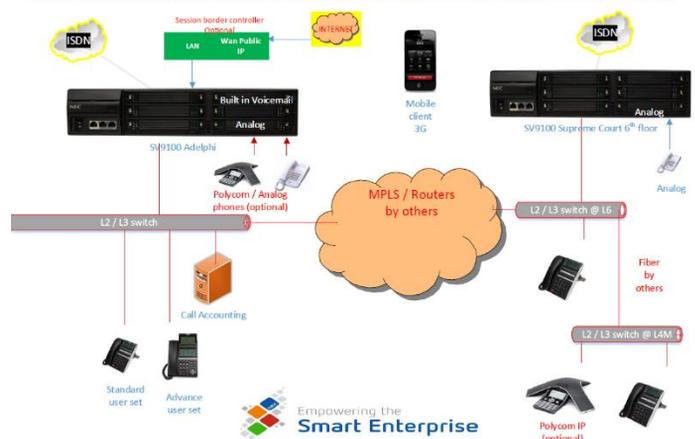

- Hot Desking of staff between two sites
- Fully scalable and flexible VoIP solution
- Centralized management of phones, data systems and platforms
- Mobile solution for improved contactability
- Site Redundancy
- Lower TCO (Total Cost of Ownership)
- Business and operation efficiency with One-Net as a One-Stop Solution Provider who provides a peace of mind.

## Challenges

SAL was looking for a new Unified Communication system to link their new office and old office as one system. Staffs will be moving between two sites and need to be contactable with a single contact number.

After an in-depth selection process, One-Net is finally the vendor of choice to grow with SAL in business communications workflow.

### PROPOSED OVERALL UNIVERGE ARCHITECTURE FOR SAL WITH MOBILE CLIENT

“We chose to work with One-Net Communications because they have the most comprehensive solution and expertise. Their NEC UNIVERGE® SV9100 is robust and scalable, which does not only meet our requirement well but also provide us with future road map for expansion and customisation.”
