

Mitel 6970 IP Phone

A conference phone designed to make meetings easier

Key Features

- 7" 800x480 Color Touch Display
- Programmable keys
- 6 context-sensitive soft keys
- PoE power (802.3af)
- Bluetooth 4.1 enabled
- MobileLink feature
- One-touch Join Meeting
- 360° microphone pickups
- Mitel Hi-Q Audio Technology
- 2 USB ports

The Mitel 6970 IP Conference Phone designed to make meetings easier and more efficient. A large 7- inch color touch screen grants excellent visibility to an intuitive user interface for quick navigation to essential meeting information and functions. A tight integration with Mitel platforms, applications, call managers delivers a unique conference experience that will not be found with 3rd party devices. Built-in Bluetooth 4.1 and MobileLink grant you the ability to seamlessly pair with Bluetooth enabled audio devices and expand the capabilities of your mobile phone. Enjoy crystal clear audio with high definition speakers and 360° beam-forming microphones. With the Mitel 6970 IP Conference Phone, your entire meeting experience will be effortless.

High Resolution Color Touch Display

An exceptionally large high resolution 7" (800x 480 pixel) color touch display delivers a rich visual experience for maximum productivity.

Advanced Meeting Features

Business directory and calendar integrations save precious meeting minutes with one touch access to conference bridges and important contacts. MobileLink allows you wirelessly pair the 6970 IP Conference Phone with your mobile phone to seamlessly switch your devices while on an active call.

Intuitive User Interface

Navigate to essential conference functions quickly with a fluid user interface that is easy to understand.

Unmatched Audio Quality

Mitel's Hi-Q audio technology and 360° beam-forming microphones allow far end conference participants to listen with ease to the active talker while background noise and side conversations are silenced. With an exceptional 16 ft (5m) pickup range, most room sizes can be accommodated without requiring optional extension microphones.

Feature Keys

- 6 pages of 16 programmable Personal soft touch keys for access to Lines, Speed Dials and Telephony functions*
- 6 context sensitive touch soft keys
- 7 dedicated touch feature keys

Audio and Codecs

- 8 Beam-forming microphones for 360° audio pickup with 16 ft (5m) pickup range
